

Sew your handmade clutch in Milan with aperitivo

Milan · Lombardy

- Duration: 1 h 30 min
- Up to 8 people per booking
- Crafts
- Free cancellation up to 48 hours before

Illustrated fabrics, sewing machines, and a shared aperitivo in an artisanal workshop in the heart of Milan: this experience transforms sewing into a creative, relaxed, and surprisingly fun activity. A contemporary workshop designed to introduce you to the world of sewing in a simple, convivial, and accessible way, even for absolute beginners.

Guided step-by-step, you will learn the basics of using a sewing machine to create a personalized clutch bag using colorful fabrics and selected materials. Between stitching, details, and small toasts, you can experience the creative process in an informal and welcoming atmosphere, building something useful and made entirely with your own hands.

A hands-on and social experience perfect for those who want to discover contemporary sewing through creativity, design, and sharing.

What makes this experience special

- Creation of a handmade clutch bag with illustrated fabrics printed in Italy
- Practical introduction to using a sewing machine
- Creative workshop accessible even to absolute beginners
- Opportunity to customize project materials and details
- Drinks and snacks included during the experience
- Convivial atmosphere within an artisanal workshop in Milan
