

Create your own handcrafted Capri sandals in the heart of Anacapri

Anacapri · Amalfi Coast · Campania · ★ **5.0** 361 reviews

- Duration: 1 h
- Up to 8 people per booking
- Crafts
- Free cancellation up to 48 hours before

Capri sandals have long been one of the island's most iconic symbols, still made today according to the artisan tradition that has made Capri famous all over the world. In Anacapri, this experience invites you into an authentic workshop to create a custom-made pair of sandals, guided by master artisans who have safeguarded this know-how for generations.

After choosing the model that suits you best, you can personalize every detail, from colors and leathers to soles, heels and decorative applications. Side by side with the artisans, you will assemble your own pair of sandals using high-quality Italian materials, discovering the techniques that have made this craft one of Capri's most recognizable excellences.

An experience designed for those who want to take home an authentic memory of the island, firsthand experiencing one of its most iconic artisan traditions.

What makes this experience special

- A workshop dedicated to making traditional Capri sandals
- Personalization of materials, colors, soles and decorative details
- Guidance from master artisans of Anacapri
- High-quality Italian leathers and materials
- An experience that celebrates one of Capri's most iconic artisan traditions
